Routine

College is more than just books, papers, and long study hours. It is an experience that many should have. It often seems senseless to go through the trouble of going to college when it is not as necessary nowadays to have further education in order to get a job and succeed in life.

But college is a very important step in anyone's life. It is the first time that one leaves home. It is the final break from your parents; a time to try to make it on your own. College can be and should be a growing experience. It will probably be the fastest growth you will have in the shortest span of time. You have responsibilities that only you can work out.

These two girls take the daily walk of many students—from the dorm to class.

Grocery shopping and cooking on your own is a new thing among some students.

Growth

College is the whole campus community. Students give life to inanimate buildings, classrooms, and the campus as a whole.

College is trying to graduate, or having to go to those twenty-one chapels so you won't get in trouble.

College is getting back in the dorms before the closing hour.

Students see college as a place to grow, to mature, to learn, and to merge all of these things within into a complete being. It is a place to design a lifestyle for the coming decade.

Organizations

Composing the backbone of any college community are organizations. Yet organizations are nothing more than names without the students who are members.

Organizations shape the attitude, the atmosphere, and the future of the school for the coming years.

Students can find honor and recognition in scholastic or literary organizations.

Students can discover friendship, fellowship, and brotherhood in the social organizations.

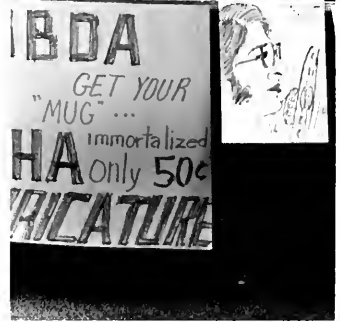

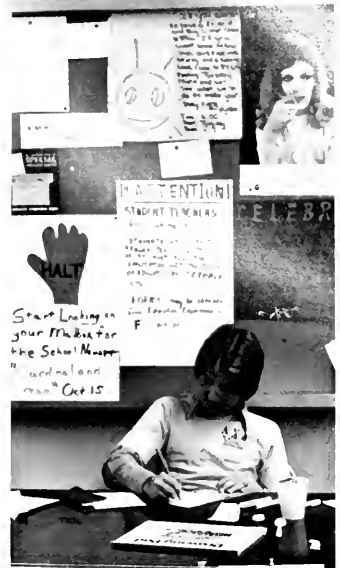

Students may seek challenges, achievement, and improvement in still other clubs.

In any case, these organizations can affect the students' lives, both now and later. The leadership abilities that one can develop will be beneficial for the rest of one's life.

Recreation

Sports, recreation, taking together just numerous other things go into making a college. Sports can provide your finest memories for all the moments of which cannot be measured in mere statistics. Many hours are spent in preparation for the event, as well as in the competition. (Basketball & my) team, to you's imagination, and to you's feet, as well as to the spirit, as the winners' happiness. We discuss in these pages of 1961.

Classical's going to start, and that's going to be reason enough to us all here. These things are what make us our education, but there are out the only way to a more complete education.

Keith Reynolds

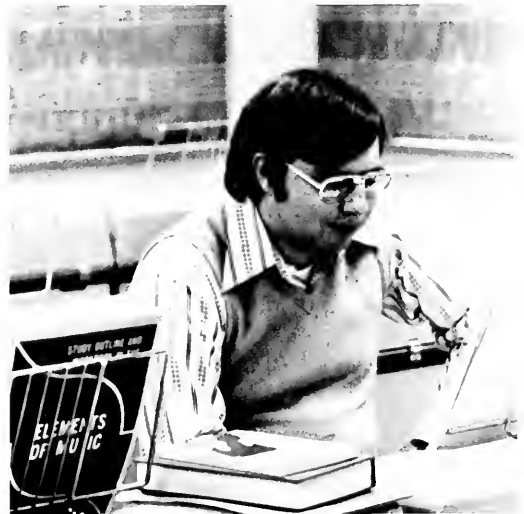

Learning

College is all of the different activities that happen during the school year. It is the people, surroundings, and all of the physical objects of the school. Most of all, college is studying and getting an education. That is what everyone is here for. We are learning everyday and moving forward in our quest for this learning. We meet new people, learn to accept views that we thought we never could.

During this learning, we become a part of all that we meet, everything that we experience, everyone we know. All in all, college is all of this learning wrapped in one, and it is up to each individual to learn it on his own.

Campus Life

First Graduation Held at New Campus

The beginning of Union's educational history at the new campus was seen Saturday, May 29, 1976, when 209 became the first class to graduate from the 45 By-pass location.

Different individuals were given honors and three students received special recognition. Donna McDowell received the Highest Academic Achievement Award as the spring graduate with the highest grade point average. Nina Lee Braden received the Tigrett Medal and Joyce Falcinelli was awarded the Union University Honor Award.

Honorary degrees given were: Teddy H. Evans and H. K. Sorrell, who received Doctor of Divinity degrees.

Jeannette Clift George was the speaker for the first graduation ceremonies held on Union's new campus. Dr. Landrum Leavell delivered the Baccalaureate address.

S.B.C. Presidents Are Honored with Corridor

Union honored seven former students and trustees who have served as president of the Southern Baptist Convention with the formal dedication of a 600-foot Southern Baptist Convention Presidents' Corridor last fall.

Men honored during the festivities at the college included: Dr. Wayne Dehoney, Dr. M. E. Dodd, Dr. J. D. Grey, Dr. Robert G. Lee, Dr. H. Franklin Paschall, Dr. Ramsey Pollard, and Dr. James L. Sullivan.

Immediately following the service, the corridor was dedicated by unveiling the portraits of the former presidents.

Computer Center is Registration Focal Point

Fall semester, 1976, began with the usual registration lines. The unpleasant task was expedited this year by careful planning and a more logical arrangement of stations. Also, this year we began using the computer center for the place to get registered. Use of the computer center kept much of the usual chaos from happening.

These students go through different stations while registering.

Goblins, Costumes and Halloween Fun

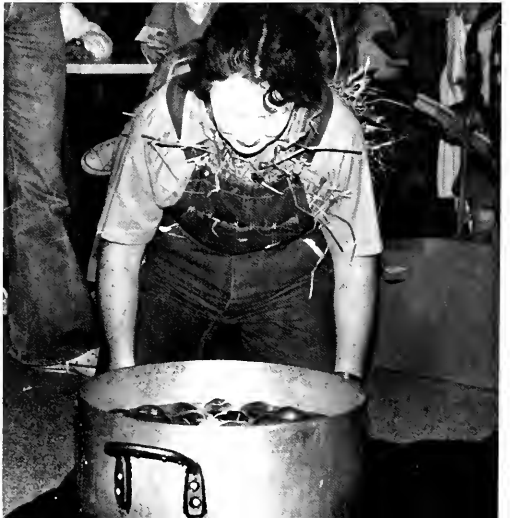

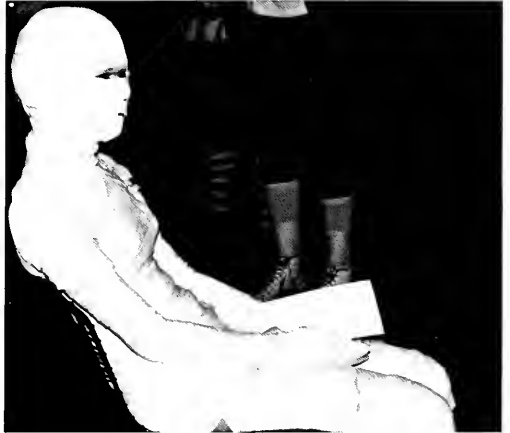

During the semester, different activities break up the monotony of classes and studying. It is at these events that students enjoy a little fun. One of these activities is the annual Halloween party sponsored by the SGA. It is then that students compete to win money and recognition by dressing up in costumes. Bobbing for apples was added this year.

Miss Union Pageant

On March 5, sixteen lovely young women competed for the title of **Miss Union University**. The theme for the night's events, "Isn't She Lovely", well suited the evening.

The former Miss Louisiana and Miss America Finalist, Debbie Ward, presided as Mistress of Ceremonies and provided several vocal selections.

Union's own Proclamation entertained, and the Stage Band, under the excellent direction of Mr. Charles Huffman, carried out the musical melodies. Director Brian Ford was presented a plaque for his outstanding three years' service to the pageant.

Diane Taylor, Assistant Director; Craig Watkins, Technical Director; Gaylon Shockley, Lighting and Set Design; Curtiss Scott and Larry Darby, Auditors; and Joe French, Publicity, along with many other stage hands and promoters, put together one of the finest pageants Union has ever had.

A special thanks is in order for five people that accepted the almost impossible job of selecting one winner from a whole group of winners. Included in the 1977 judges were Beverly Williams Lewis, one-time Miss Union University and founder of the Beverly Williams Lewis Talent Award; Dr. Melvin Lewis, former Union student now in residency in Memphis, Tn.; Diane Whittaker, fashion buyer for Cain-Sloan in Nashville, Tn.; Bob Whittaker, Director of Entertainment at Opryland, U.S.A.; and Tommy Quinn, of Memphis, Tn., a judge in many area pageants.

Highlighting the whole event was a lovely young lady, representing the Junior Class, Miss Donna Dodds, who obtained the cherished crown of Miss Union University.

'Think Snow' at Union

A real snowfall is unusual enough in this area to call everybody outside to enjoy it. There were many minor snowmen and one Giant Snowman made during the January snows.

The Resident Life Board held a snow party one night between the dorms, and there was an interesting snow sculpture contest planned by Cheryl Zimmerman and Glenda Watson, co-chairmen.

First prize for a Snow man, Dog and Rabbit was awarded to Hope Elton, Cindy Hopper, Dianne Walker, and Martha Dickerson. Second prize for a Mermaid (sculptured with a straight razor) went to Tera Montgomery, Kaye Amsden, and Lydia Primm.

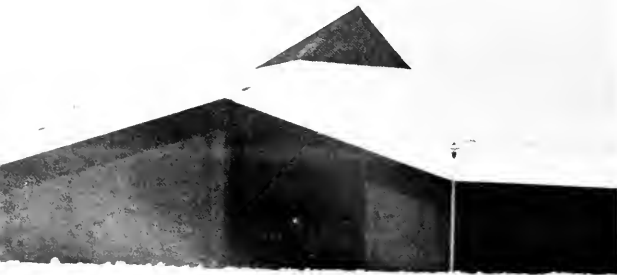

Students then went to the cafeteria for hot chocolate and cookies also sponsored by the Resident Life Board of the dormitories.

Greeks

Panhellenic and Interfraternity

The National Panhellenic Conference is an organization of the twenty-six national college sororities who are banded together for the furtherance of sorority life, scholarship and intellectual accomplishment.

At Union, the Panhellenic Council deals with intersorority relations and cooperates with the college to maintain the social standards of the school. The council is composed of three delegates each from Zeta Tau Alpha and Chi Omega, as well as an alumna from each sorority.

The Inter-Fraternity Council is the governing body for the fraternities on campus. Regulations for formal rush and membership recruitment are prepared and enforced by the IFC.

Greeks Plan Projects For Community Funds

The image of the Greek fraternities and sororities has undergone a tremendous change in the past few years. After the campus unrest of the past decade, it was seen that a revamping of some of the concepts had to take place. College fraternities and sororities planned programs with the individual member in mind and what he could do for both the college and the community.

In the '70's, the Greeks became more involved in these activities. This is shown quite well at Union. Greeks play a major leadership role in the different clubs and organizations. Also, the Greeks are involved in community activities and fund-raising drives such as: March of Dimes, Sheriff's Youth Town, Lion's Club Paper Drive, Girl Scouts, Happy Hollow School for the mentally retarded, and raising money for the World Hunger Drive.

Lambda Chi Alpha was founded at Boston University on November 2, 1909. The merger with Theta Kappa Nu in 1939 was the largest merger in the history of the fraternity world. Lambda Chi Alpha is one of the fastest growing fraternities with chapters in both Canada and the United States.

After re-evaluating its educational program in the early 1970's, Lambda Chi Alpha dropped the pledge program. Lambda Chi Alpha's step forward was a first in the Greek world.

A formal banquet held at the Hyatt Regency in Memphis marked the eleventh anniversary of Lambda Zeta-Zeta at Union. Linda Hammett was named as the 1977 Crescent Girl. The recipient of the Rick White Senior Service Award was Mike McPeake.

Lambda Chi Alpha was active in different social and service projects during the year. A reception was given in appreciation to the two sororities on campus. At Christmas, a party was held for the children at Sheriff's Youth Town.

The sorority's philanthropy is working with the mentally retarded. Zeta's colors are steel gray and turquoise blue, her flower is the white violet, and her open motto is "Seek the

Noblest."

During the fall semester, Zeta Tau Alpha held a groundbreaking ceremony at the site of their proposed lodge. Zeta also observed their Founders' Day with a dinner given by area alumnae. On Halloween, Zeta's Date Party featured a meal followed by a movie. At Christmas the traditional Big-Little Sister party was given by the pledges.

The Mother-Father-Daughter Luncheon, held

in early spring, was highlighted by various chapter awards. Later in the year, the annual Spring Banquet was held.

Zeta was active throughout the year with several service projects including visits to Happy Hollow, Jackson's school for the mentally retarded.

The brothers have been active in many projects to better the community. Some of these projects included: raising money for the Boy Scouts of America, and helping send underprivileged children to a Christmas party.

SGA Promotes Open Forums

Acting as a liaison between students, faculty, and administration, the Student Government Association worked to make Union a more complete college community. Through its channels, students make known their opinions, select officers to represent them, and lay ground work for future citizenship.

This year the SGA began a series of open forums in which different members of the administrative staff answered questions brought up by students.

During the course of the year, the SGA set up committees to look at the different functions of the school. Some of these included: campus improvement, evaluation of the chapel program, evaluation of the food services, and a communication committee.

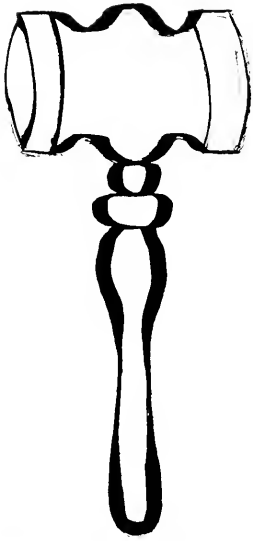

SGA Officers: Nancy Higdon, secretary; Dana Northcut, vice president; Johnny Burleson, president; and Julie Freeman, treasurer.

Christian Bond In BSU and FCA

The Baptist Student Union is a vital part of the life on the campus. The organization attempts to provide an on-going witness to the importance of Christ's place in a person's life and is seeking to be involved in a structured program of personal spiritual growth and active Christian witness and ministry.

The BSU seeks to involve all students rather than be in competition with other clubs and organizations. An extra effort is made to encourage all students to be active in local churches. Opportunities are offered for students to serve in revival teams, summer missions and other types of Christian service.

The Fellowship of Christian Athletes was formed for Union's athletes who are interested in growing spiritually as they develop and use their athletic skills. FCA is an interdenominational organization seeking to promote Christian fellowship and spiritual growth among varsity athletes.

Every athlete is invited to join and participate in the program of FCA. Chartered in the spring of 1976, the chapter is just getting under way, but the prospects for the future are very bright.

Work on the 1977 **Lest We Forget** was begun last summer when the theme and basic layouts for the introduction were made. The staff of the yearbook has worked hard to make this book one of the best in the past few years.

This year the color had to be cut back in the introduction because of the increasing costs to produce a yearbook.

So. Alabama Win Sets Tone

Fall, 1975 brought with it the crack of the bat as Union University's Baseball Bulldogs cranked up for their schedule of fall games and intra-squad workouts.

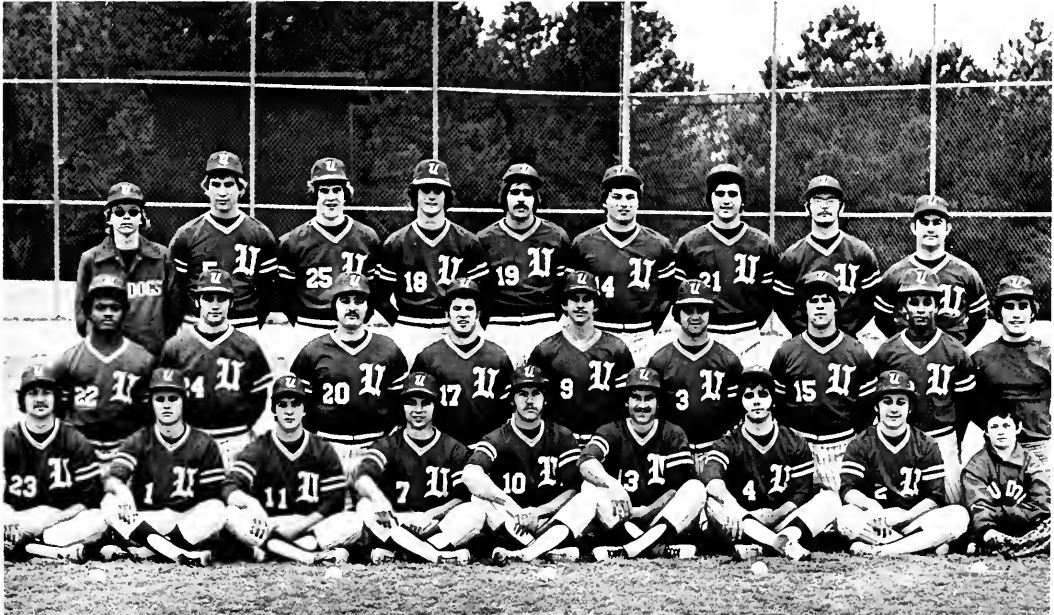

Dr. David Blackstock was back as the head honcho for the Bulldogs, and he worked the squad hard to ready them for their fall games and more importantly the spring season that lay ahead.

Highlighting the fall season was a trip to Mobile, Alabama, where the Bulldogs took on the team from the University of South Alabama coached by ex-White Sox manager, and big league player, Eddie Stanky.

Union beat the South Alabama team the first time they played them in a closely contested 2-1 ballgame.

When the team returned to Jackson, the coaches and team seemed confident and looked forward with anticipation to the spring schedule.

The victory at South Alabama had given the perennial NCAA powerhouse its first loss of the fall.

Spring, 1976—Season of Excitement

The new year brought with it the completion of a spacious new ballpark for the Union baseballers.

The team showed its dedication to the game by doing much of the work on the field themselves, in order to ready it for Opening Day.

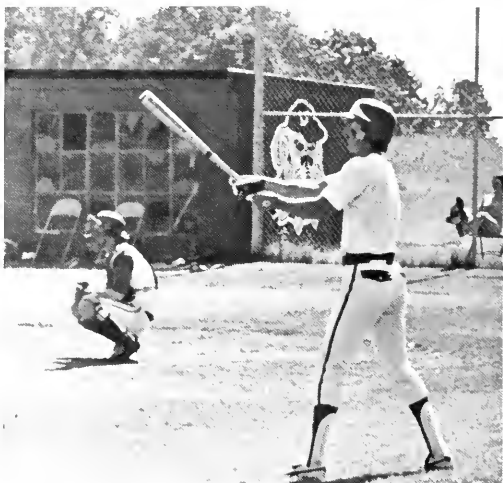

The 1976 Bulldogs were to be led by Senior Captain Andy Rushing and a handful of experienced upper-classmen.

Opening day brought Belmont, and the Bulldogs opened with a fairly good crowd who watched a closely fought battle ending in a 5-2 Belmont victory.

The rest of the season is history as the Bulldogs posted an 18-21 record which featured victories over powerhouses Vanderbilt and Delta State.

The season was not, however, lacking in the excitement department, never better exhibited than in the Bulldogs' 18-16 victory at LeMoyné Owen in a 13-inning slugfest.

Individual honors came at the end of the season for a number of Bulldog ball-players.

Junior outfielder Mark Weidemaier was named the Most Valuable Offensive Player; Andy Rushing, the Most Valuable Defensive Player. The lowest earned run average for a pitcher was held by Senior reliable Tommy Sadler.

Topping the season off was the selection of four Bulldogs to the All-West Tennessee College All-Star Team: Rushing, catcher; Weidemaier, outfield; Simmons, outfield; and Butler, pitcher.

Fall Practice, 1976

This past fall, the Union baseballers sported an excellent 10 wins, 1 loss record in fall ball competition, being led by Senior returnees Mark Weidemaier and Barry White.

Sporting a 40-game schedule this past spring, the Bulldogs were for the most part made up of youngsters, especially in the infield.

For the first time since 1970, the Bulldogs played in the Volunteer State Athletic Conference.

Union Enters VSAC

Union University along with one other area college was accepted into the Volunteer State Athletic Conference in September, 1976. The decision in Nashville to admit Union and Freed-Hardeman to the 11-team conference was unanimous. This action shows the recent progress of Union University's Basketball Program and set the stage for participation in the V.S.A.C. post-season tournament.

Hopes for the illusive undefeated season ended early for the Union basketball team. A tough season opening loss to David Lipscomb 82-72 braced the Bulldogs for a hard-fought season.

A home crowd helped Union bounce right back to defeat Bethel College 59-56. In that game both teams shot 50% or better. Union's rebounding strength and free throws proved the deciding factor.

One of the highlights of the basketball season took place across town at Lane College. In the opening round of the Lane College Invitational basketball tournament Union pounded nationally ranked Rust College (Mississippi) 66-56. Union shot 49% to Rust's 32% from the field which accounted for the difference.

Men's Varsity Team. Front Row: Don Crain, Steve Moore, Vint Vaughn, Winston Jarrett, Scott Brewer, Kenneth Lloyd, Samuel Tharpe, Keith Reynolds. Second Row: Coach Jim Swope, Ed

Smith, Greg Schroeder, Eddie Smith, Richard Rice, Mike Williams, James Bond, Paul Shearn, trainer.

Lane College also posted a first round victory in that tournament over Freed-Hardeman College. Union fell to the host team 72-68 to take second place in the tournament final.

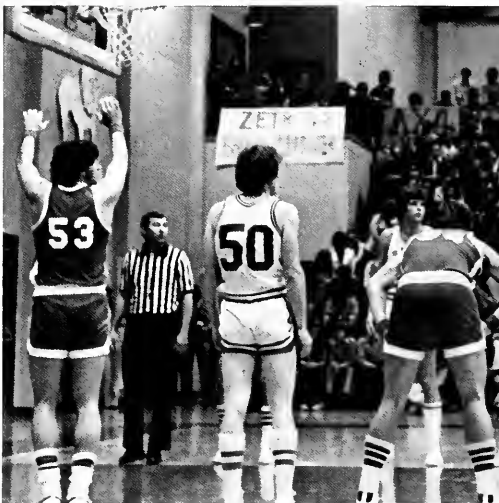

The Bulldogs returned home with outstanding back-to-back victories over Southwestern and Freed-Hardeman Colleges. Union outscored visiting Southwestern 82-75, as Richard Rice turned in an outstanding game. He had an amazing 26 rebounds and 23 points to pace the Bulldogs to victory. Two nights later Keith Reynolds led the charge with 10 rebounds and 24 points. Union edged past Freed-Hardeman 82-78. Reynolds and Rice, who added 18 points and 14 rebounds, fouled out of the game.

Southeast Missouri State stopped the Bulldog winning streak at Cape Girardeau, Missouri, 83-72. Union won the second half of that contest, but could not make up an 11-point half-time deficit.

The Bulldogs got off to a slow start in January with two losses: one against Delta State, 68-61 in Cleveland, Mississippi, and the other against CBC in the first game of the Dixie Tournament at Southwestern in Memphis.

Coach Swope finds a moment to relax.

The Bulldogs made a strong comeback though in a consolation game against Millsaps College, 96-88.

The Bulldogs then returned home to meet David Lipscomb College, a tough team that had beaten the Bulldogs in a game earlier in the season. The Bulldogs downed them, 77-75.

Two nights later Union fell to U.T. Martin 73-59 in another homecourt skirmish. Greg Schroeder hit for 24 points in this losing effort.

Christian Brothers College squeezed past the Bulldogs 66-64 in Memphis. Keith Reynolds paced Union's team with 19 points in that contest.

Rust College put the Bulldogs down again 77-54 at the Union fieldhouse. Then the Bulldogs got their act together with a homecourt victory over Belmont College, 89-75. Keith Reynolds had 29 points and Winston Jarrett and Greg Schroeder each added 18 to the cause.

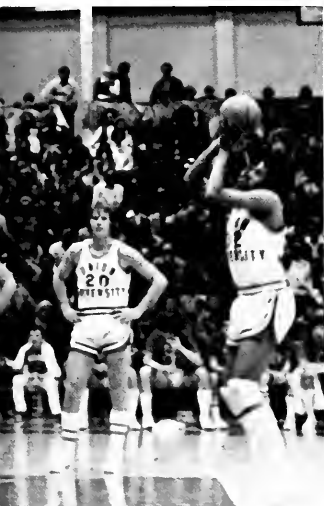

Union's next game with Freed-Hardeman was canceled due to inclement weather conditions.

In a return to action Union continued its winning ways by crushing Southwestern in Memphis, 113-89. Keith Reynolds and Don Crain combined for 49 points, 27 and 22 respectively, and the team as a whole hit 63 percent from the field.

The Bulldogs ended January with a victory over 8th ranked Lane College, 95-77. Keith Reynolds scored 23 points and Greg Schroeder hit for 21.

The Bulldogs then traveled to Martin only to get beaten 59-57. Union was down by 9 at the half and played a great second half only to lose by 2.

It's all in the game

The Bulldogs came back to capture a victory against Lee College in the only outing between the two teams. Richard Rice, a newcomer to the Union squad and Don Crain led the team in scoring with 20 and 18 points respectively.

It was on to Holly Springs, Miss. where Union again felt the crushing blows of Rust College in a 15-point loss with a score of 51-66.

Victory bound for Nashville, the Bulldogs trounced Belmont 79-69 with senior Keith Reynolds leading the scoring effort with 25 points, while Greg Schroeder added 22.

An exciting but disappointing Homecoming game saw Union and CBC deadlocked at 82-82 at the end of regulation time, sending the game into overtime. Keith Reynolds scored 23 points which tied Jeff Richey's Union career scoring mark of 1,793 points, with Greg Schroeder grabbing 28 points to reach the top score of the game. In overtime play Union fell behind the Bucs, and the contest ended in a score of Union 92 and Belmont 98.

Unshaken and ready for action the Union Bulldogs traveled to McKenzie, and whipped Bethel College in an upset 74-69. Senior Keith Reynolds wound up with 20 points which put him over the top, and he now leads the All-Time Scoring Record at Union with points totaling 1,813 points.

After 23 games and only Lane College left on the regular season schedule, Union had posted 12 wins against 11 losses. This insured the Bulldogs of at least a 500 regular season average for the first time in five years.

There were a number of surprises this year with upset victories over two Top Ten division III NCAA teams. Richard Rice, a freshman, averaged over 9 rebounds a game. Keith Reynolds broke the school scoring record and has an opportunity to score over 500 points. This year he has led his team in scoring with a 17.7 point average per game. He also was second in rebounding with 7.6 an outing.

Winston Jarrett led the team with 127 assists, 5.5 per game. Greg Schroeder added inside strength and outside shooting for 7.2 rebounds and 16.6 points per contest. Winston Jarrett, Keith Reynolds, and Greg Schroeder, the team's three seniors, have provided excellent leadership for the Bulldogs.

In recent weeks Union's Basketball squad improved dramatically. In fact, each team in the western division of the V.S.A.C. has developed to the point that the final winner could be any one of them.

The post season tournament for the Western Division title will be played at the home courts of the first four finishers.

Since this is Union's first year in the Conference, and there was no way to schedule enough league games, the Bulldogs have been seeded in seventh place. Without this handicap, Union would have placed third and won a homecourt matchup in at least the first game of the tourney.

Replacing three outstanding seniors from a strong group of returning lettermen will place Coach Jim Swope in an unenviable position. Next year's team will feature four seniors, three juniors, and four sophomores from this Bulldog unit. With another banner recruiting year like the last, our men should forge quickly to the top of the V.S.A.C. and again earn the title, "Union University, the home of good basketball."

Lady Bulldogs Push For a Repeat Season

The Lady Bulldogs began their winning season by defeating D and C Tractor Company, 85-51. D and C won the opening tip, but the Lady Bulldogs forced a turnover to regain control of the ball. Union won the game with a fine team effort in both offense and defense.

The Lady Bulldogs continued their wins for five straight games. Included in these were a pair of victories over Northeast Mississippi Junior College. One game was a 91-66 victory, and the other was a 87-61 victory.

The Lady Bulldogs fought a close and exciting game with Middle Tennessee State University, but they were defeated by a small margin of three points. The final score was 88-91. It was their first loss of the season.

The Lady Bulldogs were not one to start a losing line of games. They began winning again by defeating nationally ranked (AAU) Belmont College, 93-86. Their wins continued on as they defeated their opponents with wide margins.

Murray State University almost turned the tide for the Lady Bulldogs. Union won by only five points. The score was 94-89.

Coach Peggy Birmingham was extremely proud as she talked about her team's development. "We are improving with every game. Our field goal percentage, our free throws, and our rebounding have been getting better with every game we play. Right now we are probably the best team in the small college category in this area."

On January 22, Vanderbilt's newly formed Comodorettes couldn't keep pace with Union's squad and fell by the score of 97-44. "This victory over a Southeastern Conference team helped us to get noticed," said Coach Birmingham.

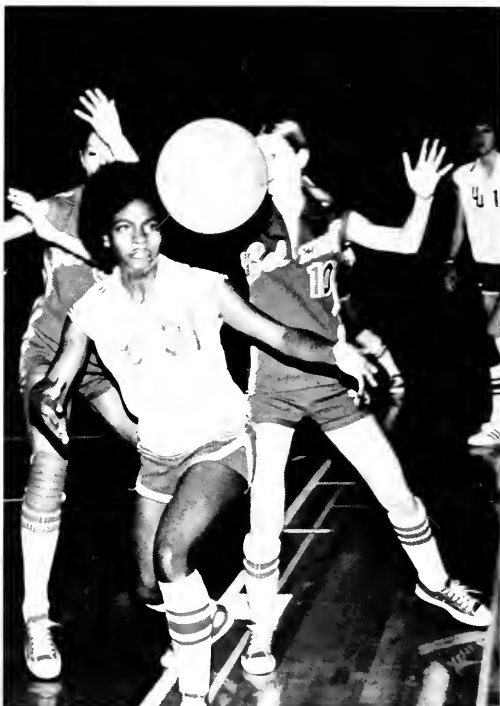

The Lady Bulldogs then traveled to Carbondale, Illinois to pound Western Illinois University, 110-48. Then after only one night's rest, they went onto their 11th win over Southern Illinois University, 74-56.

Tennis Team Builds on 1976 Winning Season

In Spring, 1976, the team had a 7-10 record, the most wins ever in a tennis season at Union University.

Individually, Chuck Summers had the best record in Singles-play with a 10-7 record. Chuck and his partner, James Ezell, also had the best record in Doubles-play, with a 9-3 record.

Larry York had a winning Singles record of 9-9. Larry York and his partner, Steve Cooper, had a 7-7 record in Doubles-play. This showed excellent tennis, especially since they played the Number 1 spot in Doubles during the entire season and had the toughest competition in every match.

The team is quite excited about Union University being in the VSAC Conference again. They had a good fall practice and have been working hard all winter. Their spring schedule opened early with a match against Lambuth College, there, on March 14. Other March matches were with Belmont, Freed-Hardeman, and UT-Martin.

April matches included ones with Trevecca, C.B.C., UT-Martin, Bethel, and Shelby State.

The team participated in the V.S.A.C. Tournament in Nashville on May 5-9.

Golf Team in Tournaments

The Union University Golf team relied heavily on the performance of freshman Jeff Kitchens and Junior College transfer Jon Majors. Jeff White, Mike Christian, Don Crain, and Keith Reynolds, completed the team for 1976-77. Union played eight matches during April and May and participated in the VSAC tournament on May 10-11 and TIAC tournament on April 15-16. All team competition plus individual records were considered in both tournaments.

Bulldog Stew Raises Money for Cheerleaders

Lifting the spirit of the basketball team and the students is the main objective of the cheerleaders. This year's cheerleaders have worked to preserve school spirit during the sport events and at other times.

There have been numerous bonfires and pep rallies in which the cheerleaders have tried to get campus involvement in the games. In the fall they had a fund raising so they could be able to attend "away games" called Bulldog Stew. It was a success with the cheerleaders raising \$400.

All Year Program in Intramurals Is Popular

With the fall term came the beginning of one of the most looked-forward-to of all activities—Intramurals. The intramural year got off to an explosive start with men's flag football. Despite uncooperative weather, the games were played with determination by all. Teams from the Faculty, Independents, SAE, ATO, LXA, and IMA all clashed, with the championship being shared by ATO and the Independents.

Next, it was time for the girls to get into the action with Volleyball. Many hard-fought contests were staged, but in the end the Independent women came out on top. All who participated seemed to enjoy the great variety of action that the sport offers.

Winter term came as an active time for intramurals. Men's Volleyball proved to be quite a race and ended with SAE emerging alone in the winner's circle. All the teams gave it a good shot though, for many games went down to the wire. Men's and women's shuffleboard, ping-pong, and free-throw shooting also took place during winter term.

Intramural football involves many of the men on campus.

Individual and Team Efforts Displayed

Intramural Men's and Women's Basketball was played during the spring. Always a thriller, this season proved to be no different. The ladies also came to enjoy football with the Powder-Puff season. Rounding out the year, everyone enjoyed the intramural Softball season. Throughout the year Tennis, Racquetball, and One-on-One also made an appearance on the intramural roster.

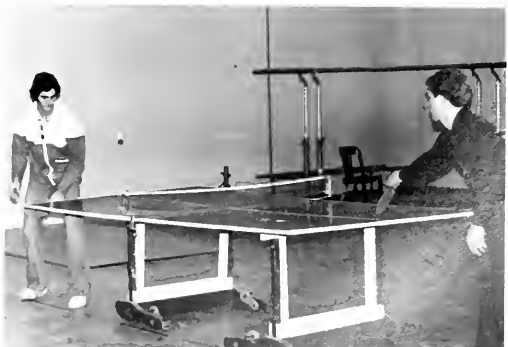

Once again, Intramurals proved to be a worthwhile activity, providing impetus for competition. There is something for every person, and many took advantage of the opportunities presenting themselves.

Library

"The philosophy under which the library operates is, basically, that the library and its contents and its staff exist for the primary purpose of meeting the needs of our students and faculty," says Mr. Harold Bass. Everything that is done is pointed at carrying out that philosophy. Any library staff member is willing to assist students in finding the material desired or to help meet any need of the students.

Between the spring semester and summer session of school in 1976, the card catalog capacity was greatly expanded. Now it is divided into four sections with a total of 288 drawers: it formerly contained three sections with only 180 drawers.

The purpose of the speech and theatre program, under the direction of Verne McCabe, is to give students an opportunity to attain a degree of excellence in the performing arts. This year's season of plays, the most varied since moving to the new campus, included a musical, "Of Thee I Sing"; a serious drama, "I Never Saw Another Butterfly"; a Shakespearean comedy, "The Tempest"; and an old-fashioned preacher play, "One Foot in Heaven."

History

History, including Political Science and a large portion of social science, offers courses which are designed to meet both cultural and professional objectives. They attempt to give the student a discriminating knowledge of the past by encouraging an understanding of other times according to the standards of those times and by evaluating institutions and movements in the light of their effects upon later developments.

Each year, Dr. Edmonson, chairman of the department, takes students on tours to historical sites. This year he took a group to Washington, D.C. for the inauguration of President Jimmy Carter. Psychology

The Psychology Department strives to provide the student with an understanding of psychology from a social and individual basis. Recognizing that there are many new developments in the field of psychology and that these are important to understanding the past, present, and future of the person, the department seeks to incorporate the results of twentieth century thinking into the program wherever possible.

Emphasis is placed on student initiative and responsibility within the framework of the existing curriculum. Far from believing that all knowledge is accumulated and that now we merely apply technology, the department focuses on large perspectives within the field of psychology as well as details that are complementary to understanding the psychological make-up of the person in his or her life.

Morris K. Lynch
Assistant Professor, Psychology

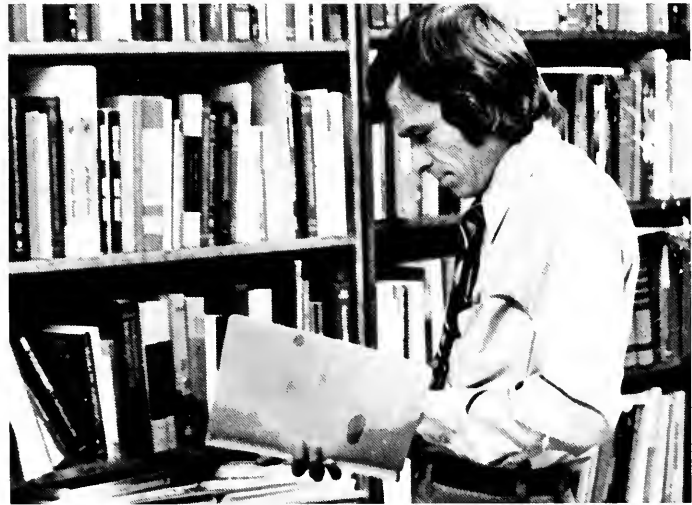

Sociology

The courses in Sociology are designed for the students who desire pre-professional training in different fields of human relations. They are also for those who seek to understand the underlying principles in human relations.

Human relationships in various areas of social life are presented in a practical and scientific analysis in the courses of the Sociology Department. This approach will help the student learn more about the people around him.

The department sponsored a film during fall semester, *Cool Hand Luke*, which was open to the entire campus community.

Dr. Tom Haygood
Assistant Professor, Sociology

Religion and Philosophy

As a basic aim, the Department of Religion and Philosophy hopes to make the students aware of the meaning of life through study. Johnsey's Sporting Goods, 447 North Royal, handles a fine line of sporting goods and trophies

Mary Walker, left, as "Irena Synkova" and Susan Jennings, as "Raja Englanderova," portray two of the people who passed through Terezin, a stopping-off place for hundreds of thousands of Jews on their way to the gas chambers of Auschwitz, in the University Theatre's successful winter production of Celeste Raspanti's *I Never Saw Another Butterfly*.

As the last pages of the 1977 *Lest We Forget* are being mailed in, it is with no regret that this year's book is being completed. During the past year, it seems as though many things have happened in the college community, in the country, the world, and with myself. Working on the book has helped broaden both my perspective of the college and what is going on around me.

Of course, the book was not put together by one person. It was with the help of a good staff and adviser. We all have worked hard during the year to make this one of the best books ever and one that everyone will remember and keep for quite some time.

Now it is finished. It is up to you to decide how it ranks with other books. It is my hope you will think of the many hours spent in putting it together and making it for you. I hope there are some good memories for you in this book.
